

S1 Introduction Pupil Profile Statements

Choose some of the statements to help you fill in your profile for Science

I CAN

- safely use a bunsen burner
- work safely in a lab
- measure (state what you can measure)
- read scales
- name pieces of laboratory equipment
- calculate the density of a pebble
- plot a bar chart
- plot a line graph

or use your own statements about what you've done during your Science lessons.

I KNOW

- the classroom code and follow it every lesson
- the safety rules and can follow them

I HAVE

- completed all the homework I have been given
- done the best I can in my homework tasks
- written my work in the neatest way I can
- worked well in a group.
